As per RBI guidelines dated September 04, 2019 & February 26, 2020, all loans to MSMEs must be benchmarked to one of the external benchmark rates. Banks are free to decide the spread over the external benchmark as per their approved policies. Accordingly, loans under the scheme must adhere to the above-mentioned guidelines and linked to the external benchmark rates with regard to MSMEs. For non-MSMEs, interest rate would be linked to marginal cost based lending rate.

As part of the Scheme, overall lending rate is capped at 1% above the external benchmark lending rate (for MSMEs) and marginal cost based lending rate (for non-MSMEs) or 9.25% p.a. whichever is lower. Loans which are allowed not to be benchmarked to external rates shall be capped at maximum of 9.25%.

For e.g. for Bank ABC External Benchmark Lending Rate is 7.80 %; i.e. RBI Repo Rate (4.0%) + Spread (3.80%). For the purpose of this scheme the lending rate would be Min of (7.8% + 1% = 8.8% and 9.25%) = 8.8% in this case.

For e.g. for Bank ABC1 External Benchmark Lending Rate is 8.50 %; i.e. RBI Repo Rate (4.0%) + Spread (4.50%). For the purpose of this scheme the lending rate would be Min of (8.5% + 1% = 9.5% and 9.25%) = 9.25% in this case.

As regards NBFCs / HFCs, the interest rate has been capped at 14% p.a.

MLIs should note that the overall loan under the scheme will be capped at overall outstanding as on 29th Feb, 2020/31st March 2021/31st January 2022(as the case may be). 57. The Bank has taken first charge on perishable assets/current assets against short term loans to a borrower and extended second charge on these assets to NCGTC against facility under ECLGS. What would be the security available once these assets are sold off/disposed?

Now MLI 'A' is delaying disbursement and is seeking NOC from MLI 'B', which MLI 'B' is refusing. MLI 'B' has also sanctioned assistance to me as per my eligibility

with them, but cannot disburse as it is not able to obtain guarantee under ECLGS. Finally, I am a sufferer not able to avail assistance under ECLGS due to tussle between the 2 MLIs. What should I do ?

On receipt of details, correction would be done by NCGTC to enable guarantee cover to MLI 'B' to the extent of its eligibility and guarantee cover to MLI 'A' to the extent of its eligibility under ECLGS. You will then be able to avail proportional loan from both the MLIs.

66.I am an eligible MLI and have got some guarantees issued in respect of certain eligible borrowers. However, some of the details entered in the system are incorrect. Can the incorrect details entered be modified?

No, there are some validations in the system and hence modifications cannot be allowed. However, on specific request from registered (at the time of enrolment) mail id of the MLI, NCGTC would arrange to delete the guarantees issued and the MLI shall be able to apply afresh for the guarantee in respect of loan to such borrowers.

67.Bureau outstanding has been entered incorrectly by MLI 'A' while taking guarantee cover in respect of an eligible borrower. The said borrower is also banking with MLI 'B', but it is not able to extend assistance to the borrower in view of incorrect entry of Bureau Outstanding. What should MLI 'B' do ?

NCGTC has already developed and circulated a module as per which the MLI 'B' can rectify the Bureau outstanding. It may, however, be noted that MLI 'B' should retain the document relating to Bureau outstanding as proof which would be required in case of claim settlement. Similar provision has been made with regard to incorrect marking of account under GECL 1 or 2 by the MLI, which rectification they may do subject to meeting of validations put thereat.

68.Are Regional Rural Banks (RRBs) eligible as Member Lending institution under ECLGS?

Yes, all scheduled RRBs are eligible. It may be mentioned here that subsequent to amalgamation of certain RRBs which were previously scheduled, they are yet to be included in Second Schedule of RBI Act, but considering that RBI has already commenced the process to include them in the Schedule which may take some time and the fact that they were earlier scheduled, they are also eligible under ECLGS.

69.It has been indicated under FAQ 12 that in case a borrower wishes to take from any lender an amount more than the proportional eligible, a No Objection Certificate (NOC) would be required from all other lenders. Is it necessary for the borrower to obtain NOC from all lenders even though the loan being taken from a particular lender is not the total outstanding across all MLIs ?

No, NOC would be required from the respective lenders whose share of ECLGS loan, the borrower wants to avail from one particular lender. It may, however, be necessary here for the particular lender to agree to provide assistance under ECLGS on behalf of these other lenders.

70. An MLI 'A' has taken guarantee cover under ECLGS for a loan provided to a specific borrower. MLI 'B' takes over the said loan from MLI 'A' anytime during the repayment period. How will the guarantee provided under ECLGS be transferred from MLI 'A' to MLI 'B' and what would be the repayment schedule of the said loan under ECLGS with MLI 'B' ?

A page has been created on the portal for takeover cases wherein MLI 'B' has to enter certain details about the borrower being taken over from MLI 'A' – it includes fields like borrower name, names of MLIs 'A' & 'B', CGPAN number of MLI 'A', loan account number, Management Certificate of having taken over the loan, etc. On submission of the same, NCGTC would verify the details of transfer and on approval, fresh CGPAN number is generated for MLI 'B' and a mail goes to the registered mail ids of the two MLIs about shift of guarantee from MLI 'A' to MLI 'B'.

There would be no change in the repayment schedule, which should be as per scheme guidelines and both MLIs should ensure the same.

71. What would be the procedure for filing and settlement of claims under ECLGS ?

NPA Marking –

NPA marking module is available on portal under Claim & Settlement, wherein provision is made for NPA marking. MLI needs to mark NPA within 90 days of the account being classified as NPA or date of Supreme Court order (March 23, 2021), whichever is later.

Interim Claim –

The MLI shall furnish the details of the account which would include date of NPA, amount in default, status of legal action etc. in the claim lodgment page available on the portal. The MLI may also be required to upload Management Certificate certifying certain details about the account. On submission of this claim, an e-mail shall go to the MLI that their claim has been lodged and NCGTC would initiate action to approve the claim request and arrange to pay 75% of the amount in default within 30 days of the claim date provided all requisite documents are submitted and the claim is found to be in order and complete in all respects. This shall be treated as Interim Claim. In view of the fact that date of default for facilities under non-fund based assistance could be on different dates, multiple interim claims shall be allowed to the MLI.

The MLI shall also furnish details of the recoveries made in the account and after adjusting such recoveries towards default amount relating to first charge and the legal costs incurred by them, remit the balance amount to NCGTC within 30 days, failing which MLI shall be required to pay the recovered amount along with interest at 2% over and above the prevailing repo rate from the date of recovery to the date of payment.

Final Claim:

On completion of the recovery Proceedings or till decree gets time barred, whichever is earlier, the MLI shall submit its claim for the balance 25% of the amount in default (net of recoveries, if not already remitted as above). Procedure for settlement of this Final Claim shall be the same as that of Interim Claim except that in the case of loans to individuals, Management Certificate shall be replaced by Statutory Auditor's certificate.

72. The scheme provides that all business enterprises / MSME borrower accounts with combined outstanding loans are eligible for the scheme. In this regard, whether MLI means such institutions which are registered with NCGTC or includes all lending institutions?

MLI here refers to all lending institutions.

73. I am an eligible borrower banking with 2 lending institutions – one is registered with NCGTC and the other is not eligible or not registered with NCGTC. Can the registered MLI provide assistance under ECLGS against my outstanding with non-eligible/non- registered lending institution after obtaining NOC from it?

Yes

74. I am an eligible borrower banking with MLI 'A' and MLI 'B'. If MLI 'A' provides m ECLGS facility on the outstanding amount of MLI 'B' also based on NOC received from it, do I have to create second charge on my securities available with MLI 'B'.

A legal entity 'A' eligible under the scheme got merged into/taken over by another entity 'B' after February 29, 2020/March 31, 2021/January 31, 2022 and the account of entity 'A' has since closed. Will entity 'B' be eligible for facility under ECLGS to the extent of 20/30% of outstanding as on February 29, 2020/March 31, 2021/January 31, 2022 of entity 'B' alone or combined outstanding as on February 29, 2020/March 31, 2021/January 31, 2022 of entities 'A' & 'B'.

The facility cannot be provided in respect of closed accounts. Hence, Entity 'B' would be entitled to upto 30% of the fund based outstanding [upto 50% of the fund based outstanding in respect of borrowers in the Hospitality and related sectors and upto 50% (100% for airlines) of the fund and non-fund based outstanding in respect of borrowers in the Civil Aviation sector of outstanding of entity 'B' alone as on February 29, 2020 or March 31, 2021 or January 31, 2022 (whichever is highest), subject to the sector to which it belongs and meeting other eligibility criteria prescribed under the scheme].

However, if the constitution of entity 'A' gets changed to entity 'B' (and PAN gets changed) subsequent to February 29, 2020/March 31, 2021/January 31, 2022 (as the case may be and the sector to which the borrower belongs), then entity 'B' shall be eligible for assistance as entity 'A' would have become eligible, had it continued to be in existence.

76.NCGTC had come out with an FAQ on June 29, 2020 wherein it was clarified that extension of any guarantee or obtention of any fresh guarantee for the facility under ECLGS shall make the guarantee void. In view of the practice being followed in some MLIs, they have taken extension on guarantees available from the borrowers while creating second charge. Can such accounts be exempted from being considered void, as clarification through FAQ was received only on June 29, 2020?

The Operational Guidelines of the scheme provide for second charge only on securities available with an MLI. Nowhere any mention of obtention of any guarantee was stipulated. The said FAQ was not an amendment to the guidelines, but just a clarification. MLIs who have obtained guarantee in any form may take necessary steps to get the same cancelled to ensure continuity of guarantee cover.

77.I am an eligible borrower having availed loan under the scheme. Till which date can I avail disbursement?

Sanction under ECLGS is valid upto March 31, 2023 and disbursement out of fund based facility can be availed upto June 30, 2023. 83.Subsequent to the account turning NPA, when would legal action be considered as initiated on the part of MLI ?

Mere issue of recall notice shall not be construed as initiation of legal action. Legal action shall be considered as initiated upon filing of application in Lok Adalat/Civil Court/Revenue State Authority/DRT or after action pursuant to the notice issued under Section 13(4) of SARFAESI Act, 2002 or after admission of application under NCLT or commencement of arbitration proceedings or such other action as may be decided by NCGTC from time to time.

It could be cumulative outstanding, particularly in the case of individuals. With regard to commercial bureau outstanding, the outstanding under fund based facility should be considered. With regard to consumer bureau outstanding (basically for individuals), only the outstanding appearing under business purposes like commercial purpose vehicles, commercial and construction equipment, diagnostic equipment, etc. should be considered. For example, loan taken for non-business purposes like housing loan, education loan, consumer loan, gold loan, credit card loan etc. taken by the borrower and appearing under the consumer bureau outstanding should not be considered to arrive at the Bureau outstanding. Credit bureau proof of the same should be retained by the MLI for verification, as and when sought.

85.Whether an MLI can deny loan solely on the ground that Borrower's credit rating or Bureau score is below the cut-off decided as per the internal policy of the MLI.

In terms of the scheme guidelines, ECLGS facility can be extended to such of the MUDRA borrowers where, besides meeting the other eligibility criteria including loan outstanding as on February 29, 2020/March 31, 2021, the MLIs have reported the accounts on the MUDRA portal as on March 31, 2020/March 31, 2021 (reporting of outstanding loans to MUDRA being on quarterly basis). The eligibility / limit is, accordingly, assessed.

89.I am an eligible MLI having extended assistance under ECLGS to an eligible borrower. The borrower has approached for release of existing full/partial security or replacement of security. Is it permitted?

Release/replacement of security, partially or fully, is a credit call to be taken by the MLI, subject to the condition that the interest of NCGTC is not compromised in any manner whatsoever, as per the scheme guidelines.

90.I am an eligible MLI having extended assistance under ECLGS to an eligible borrower. The borrower has subsequently approached for enhancement of facility/sanction of additional facility. Is it permitted?

NCGTC may be intimated, as provided in the Operational Guidelines. No prior approval is needed. Enhancement of credit facility / sanction of additional credit facility is a credit call to be taken by the MLI, subject to the condition that the interest of NCGTC is not compromised in any manner whatsoever, as per the scheme guidelines.

91.I am an eligible borrower banking with an eligible MLI. My loan outstanding (as on February 29, 2020/March 31, 2021/January 31, 2022, as the case may be) with the MLI is secured on the basis of second charge on certain assets. What would be the security to be created on ECLGS funding?

As per the scheme guidelines, it is second charge on existing assets. Accordingly, in case where second or subservient charge is already created, pari passu second charge may be created.

92.I am an eligible borrower banking with an eligible MLI. My loan outstanding in one of the Credit Bureaus is showing DPD higher than 60 days as on February 29, 2020/March 31, 2021/January 31, 2022. However, this is incorrect as I had paid on time and the DPD as on February 29, 2020 was 60 days or less and I have submitted the detailed accounts to my MLI. Am I eligible for assistance under ECLGS?

The scheme guidelines stipulates checking of such details with a Credit Bureau. It, however, does not specify which Bureau. Mistakes can happen at the Bureau also or in reporting of data to the Bureau. It is, therefore, the duty of the MLI to satisfy itself on the eligibility of the borrower as per the scheme guidelines and preserve such documents, which may be required at the time of claim settlement, if any. Efforts may also be made to rectify such issues with the respective Credit Bureau.

93.Whether outstanding NCDs/ Debentures as on February 29, 2020/March 31, 2021/January 31, 2022 are to be taken into account for arriving at the outstanding debt ceiling as specified in the scheme?

Bill discounting limits are given to purchasers as well as sellers. Such limits given to purchasers only replaces the debts due to their suppliers and does not affect their working capital cycle. Hence, only bill discounting limits given to suppliers will be eligible for ECLGS assistance, based on outstanding facilities on the reference date, subject to it meeting other eligibility norms.

The MLI 'A' has assigned major portion of the loan sanctioned to me to MLI 'B' through securitization and the loan remaining with MLI 'A' is marginal. Also, the security that was available with MLI 'A' has been transferred to MLI 'B' and there is no security available with MLI 'A' now. Whether MLI 'A' can sanction the eligible amount based on my outstanding facility across MLI 'A' & 'B' as on February 29, 2020/March 31, 2021/January 31, 2022 (as the case may be) after obtaining NOC from MLI B'?

Yes, MLI 'A' can do so provided the borrower is otherwise eligible and it is an existing customer of MLI 'A'. However, if 100% of the loan is assigned by MLI 'A' to MLI 'B' and there is no outstanding of the borrower with MLI 'A', then MLI 'A' shall not be able to provide facility under ECLGS to the said borrower. There is no stipulation of availability of security in the scheme.

PAN would be same for the proprietary concern and the individual. Whether any exemption can be granted by the MLIs in such cases?

As an exception, such cases can be considered eligible for assistance under ECLGS, if overdues in respect of credit card/savings account/current account of the borrower does not exceed 1% of the loan amount (i.e. GECL amount) extended under ECLGS facility, the overdue amounts are regularized prior to assistance being provided under ECLGS and are within the materiality concept being followed by the MLI concerned.

101. What will be the security on credit extended under GECL Scheme in respect of small loans?

In continuation of FAQ No.23, it is further clarified that as per decision taken on September 08, 2020, the stipulation for creation of second charge has been waived in respect of all loans up to Rs.25 lakh **(outstanding loan on the reference date plus loans sanctioned under GECL)**, provided the MLI ensures to safeguard the interests of NCGTC and in this regard obtains a suitable undertaking (as per draft format to be provided by NCGTC and hosted/to be hosted on the website) from the borrower.

102. I am an eligible borrower with outstanding loans from an eligible MLI and debentures from an investor. Am I eligible for ECLGS facility on debentures also as this is a type of debt, though subordinate to the senior debt?

The Scheme is limited to lending institutions covered under the Scheme, and the ECLGS facility is eligible only on outstanding debt. Hence, ECLGS would be eligible on debentures only if they are either Non-convertible or Optionally Convertible and have been raised from a lending institution covered under the Scheme, and not from investor(s)/investing company. In case of Optionally Convertible debentures, the guarantee on GECL shall, however, cease to be operative on such debt being converted to equity during the currency of the guarantee coverage.

103. I am an eligible MLI having extended facility under ECLGS to an eligible borrower. In terms of the scheme guidelines, security has to be created within 3 months. Can extension be granted on the same?

As indicated at FAQ 101, stipulation of creation of second charge has already been waived in respect of all loans up to an aggregate of Rs.25 lakh, inclusive of the original loan as well as the additional credit provided under ECLGS. Further, certain States have already started the facility of e-stamping. Accordingly, MLIs need to make all efforts to create the security within the stipulated time in all cases where creation of security is required under ECLGS.

However, considering that the sanction under the scheme is valid upto March 31, 2023 and keeping the 3 months period allowed for creation of security in view, time up to June 30, 2023 will be allowed to the MLIs to create the stipulated security. MLIs may, accordingly ensure that the stipulated security is created

It is for the MLI to check the eligibility of the borrower based on all facts available with it and rectify the mistakes so that an eligible borrower is not denied benefit under the scheme due to inefficiency or incorrect accounting at the end of MLI. In such cases, the MLI concerned which had reported the borrowers to CRILC or any other Credit Bureau as SMA-2 or NPA shall have to certify that such reporting was erroneous or due to purely technical reasons.

116.I am a Housing Finance Company (HFCs) with exposure of lending to MSMEs. Am I eligible under ECLGS?

Yes, HFCs are eligible. However, please see FAQ 44 in this regard which clarifies that only MSME borrowers of HFCs are eligible.

117.I am an eligible borrower having availed assistance under ECLGS 1.0/1.0(Extension). Am I eligible for coverage under ECLGS 2.0/2.0(Extension) ?

No.

118.I am an eligible borrower banking with an eligible MLI. As per guidelines of ECLGS 2.0, I have been sanctioned some fund based and some non-fund based facility. Are the two interchangeable?

No, the two facilities are not interchangeable and shall be fixed at the time of sanction by the MLI.

119.I am an eligible borrower having availed assistance under ECLGS 1.0/1.0(Extension). Can I avail assistance under ECLGS 2.0/2.0(Extension) also ?

No. A borrower having availed assistance under ECLGS 1.0/1.0(Extension) is not eligible for assistance under ECLGS 2.0/2.0(Extension). Further, non-fund based facility is not eligible for borrowers under ECLGS 1.0/1.0(Extension).

120.As the maturity date of a non-fund based facility could be different from the date of NPA of a fund based facility, whether MLI would be allowed for filing of separate claims for the fund based and non-fund based facility in case of default and NPA ?

Separate claims would be eligible for filing based on the date of NPA of the two facilities. Moreover, as the maturity date of various tranche of utilization under non-fund based would be different from each other and also different from the date of NPA due to default in fund based facility or any one of the non-fund based facility, provision has been made to allow multiple interim claims based on amount of default arising from time to time under non fund based facility only.

121.I am an eligible borrower having diversified activities and fund based outstanding of Rs.20 crore in one or more of the 27 identified sectors for assistance under ECLGS 2.0 and total fund based outstanding for all businesses across all MLIs at Rs.200 crore. How much loan would I be eligible under ECLGS 2.0/2.0(Extension)?

As your outstanding in the identified sectors under ECLGS 2.0 is only Rs.20 crore, you shall be eligible for only upto 20% of Rs.20 crore, i.e. Rs.4 crore under ECLGS 2.0. However, you shall be eligible for total support of upto 30% of Rs.20 crore i.e. upto Rs.6 crore under ECLGS 2.0 (Extension) – part of it could be under ECLGS 2.0 & balance under ECLGS 2.0 (Extension).

As an extension to the above, even if borrowers have fund based outstanding in the select 27 sectors within Rs.500 crore but their total fund based outstanding exceeds Rs.500 crore, they shall be ineligible for assistance under ECLGS 2.0/2.0(Extension).

122.What is the margin prescribed for non-fund based facility under ECLGS 2.0/2.0(Extension) & 4.0?

This is left to the discretion of the MLI.

123.As the last date of sanction of assistance is March 31, 2023 and last date of disbursement is June 30, 2023, can disbursement out of fund based facility or issuance of LC/BG under non-fund based facility happen after March 31, 2023?

The last date of sanction and disbursement of fund based facility has been modified to March 31, 2023 and June 30, 2023 respectively. Entire disbursement out of fund based facility should happen on or before June 30, 2023. Utilization of at least first tranche under non-fund based facility under ECLGS 2.0/2.0(Extension)/3.0(Extension) should happen on or before June 30, 2023. Utilisation of further tranches under non-fund based facility under ECLGS 2.0/2.0(Extension)/3.0(Extension) can happen subsequently during the currency of the guarantee cover, which shall reduce proportionately as explained elsewhere. Utilisation of entire non-fund based facility (LC for import of capital goods) under ECLGS 4.0 should happen on or before June 30, 2023, even though they may be crystallizing later.

124. What would be the applicable commission on non-fund based facilities extended under ECLGS 2.0/2.0(Extension) and ECLGS 3.0/3.0 (Extension)?

With regard to facility under ECLGS 2.0/2.0(Extension), it would be as per the existing guidelines of an MLI.

However, with regard to non-fund based support for borrowers in the aviation sector under ECLGS 3.0/3.0(Extension), the fee/ commission has been capped at 0.5% p.a. and no cash margin should be stipulated by an MLI.

125. What would the interest rate chargeable be on loans provided under ECLGS 2.0/2.0(Extension)?

Interest rate has been capped at 9.25% p.a. for Banks and FIs and 14% p.a. for NBFCs. Interest rates for non-MSMEs would be linked to Marginal Cost based Lending Rate (MCLR) while interest rates for MSMEs would be linked to External Benchmark Lending Rate (EBLR), but the cap prescribed should not be exceeded.

However, in case the MCLR exceeds 9.25% during the tenor of the guarantee, a view would be taken by the Management Committee on revising the cap specified.

126. Whether individuals are eligible under ECLGS 2.0 / 2.0(Extension) ?

No.

127. I am a Housing Finance Company (HFC) registered with NCGTC under ECLGS. Am I eligible for extending assistance under ECLGS 2.0 ?

In partial modification of FAQ Numbers 44 & 116, HFCs are eligible Member Lending Institutions under ECLGS (ECLGS 1.0, 2.0 & 3.0 and extension thereof) for extending 100% guaranteed loans to eligible borrowers within limits specified under the scheme guidelines.

128. I am a borrower banking with an eligible MLI and am interested to avail assistance under ECLGS. I am meeting all the norms of eligibility, but number of days past due in my account as on date is over 90 days. Am I eligible for assistance under ECLGS, in view of Sr. No. 19 of Operational Guidelines of the scheme which states that “*The borrower account, otherwise eligible under the scheme, should not be an NPA as on the date of sanction/disbursement*”?

In normal course of business, accounts which are more than 90 days past due would require the MLI to take legal action against such accounts and file claims with NCGTC. Hence, in terms of prudent banking, a borrower with DPD over 90 days would not be eligible for sanction/disbursement under ECLGS.

129. I belong to the 27 identified industry sectors for assistance under ECLGS 2.0/2.0(Extension), but my lender feels otherwise. Who shall decide my eligibility under the scheme?

The scheme parameters have been clearly defined in the Operational Guidelines of the scheme and FAQs are being issued from time to time for further clarification. It is the responsibility of the MLI to check the eligibility of the borrower and satisfy itself, as the guarantees are issued automatically based on submissions of the MLI.

130. I have got my original loan with an eligible MLI restructured under the present RBI scheme as per which the account need not be downgraded or classified as NPA. Will I be eligible for facility under ECLGS?

Yes, you shall be eligible provided you meet all the eligibility parameters of the scheme.

131. Whether RBI has issued any guidelines on the new scheme ECLGS 2.0, and if so, what are they?

ECLGS 2.0 is not a separate scheme, but a window within the ECLGS scheme launched on May 23, 2020. RBI has previously clarified that all loans sanctioned under Guaranteed Emergency Credit Line (GECL) and covered under ECLGS shall carry zero risk weight. Subsequent to introduction of ECLGS 2.0 within ECLGS, RBI has, in its December 04, 2020 statement, informed about extension of sectors and synergy with ECLGS 2.0 of funds from RBI under on tap TLTRO.

Guarantee cover on non-fund based facility shall reduce proportionately each year and hence the MLI should apply the risk weight on the outstanding facility accordingly.

132. Whether MLIs can charge interest rate lower than that arrived at as per EBLR (for MSMEs) or MCLR (for non-MSMEs) ?

Yes.

133.I am a borrower banking with an eligible MLI. As on 28.02.2020/31.03.2021 (reference date for ECLGS support), I had an outstanding loans against 6 commercial vehicles and have received the eligible ECLGS facility. My original loan against one of the commercial vehicles is getting closed and I want NOC to sell the vehicle. Please advise if I can get it from my MLI.

The MLI would issue NOC in respect of the vehicle against which the original loan has been repaid, provided you pay the proportionate amount of ECLGS facility availed and the MLI is satisfied with the level of assets available with it to secure the balance loan including loan under ECLGS. Similar approach needs to be adopted by MLIs in case of multiple loans against separate identifiable securities.

134.What is ECLGS 3.0?

ECLGS 3.0 refers to the scheme for providing 100% guarantee coverage by NCGTC to its Member Lending Institutions against extension of eligible credit to its existing borrowers in the Hospitality & related sectors (including Travel & Tourism sector, Leisure & Sporting ect.) and Civil Aviation sector, whose total days past due as on 29.02.2020/31.03.2021/31.01.2022 was upto 60 days, irrespective of the amount outstanding.

However, for airlines, the maximum eligibility shall be 100% of their total credit outstanding (both fund based and non-fund based outstanding, net of ECLGS support already received, if any) as on 29.02.2020 or 31.03.2021 or 31.01.2022, whichever is higher, subject to a cap of Rs.1,500 crore per borrower (of which up to Rs.500 crore to be allowed only subject to proportionate equity contribution by the promoters/owners) and the borrower meeting all the other eligibility criteria.

Facility by borrowers in the Civil Aviation sector can be utilized either in the form of fund based or non-fund based or both as per requirement. Facility by borrowers in Hospitality and related sectors can be utilised as fund based facility only. Such of these borrowers who have already availed assistance under

ECLGS 1.0 or ECLGS 2.0, but fall in the sectors specified under ECLGS 3.0/3.0 (Extension) shall be eligible for additional credit under ECLGS 3.0/3.0 (Extension), provided they meet the other terms of the guidelines.

138.I am an eligible borrower having availed assistance under ECLGS 1.0 or ECLGS 2.0. Can I avail assistance under ECLGS 3.0/3.0(Extension) also ?

Yes, if you are covered by the sectors for ECLGS 3.0/3.0(Extension). The facility being provided under ECLGS 3.0/3.0(Extension) should be treated separately. Such of the eligible borrowers who have availed assistance under ECLGS 1.0 or 2.0 are also eligible for assistance under ECLGS 3.0/3.0(Extension), but they shall be eligible for only additional credit upto balance eligibility based on credit outstanding as on February 29, 2020 or March 31, 2021 or January 31, 2022, whichever is highest. Separate loan account is to be maintained for ECLGS 3.0/3.0(Extension).

139.I am a borrower banking with an eligible MLI in India with loans outstanding of Rs.800 crore, including External Commercial Borrowing (ECB) of Rs.300 crore, as on February 29, 2020/ March 31, 2021/January 31, 2022. Am I eligible for assistance under ECLGS, particularly as ECB does not get reported to any credit Bureau in India?

As indicated in the Operational Guidelines, the facility under ECLGS 2.0/2.0(Extension) is available for borrowers whose total loan outstanding from all lending institutions as on February 29, 2020/March 31, 2021 was upto Rs.500 crore, besides other terms and conditions. As your total outstanding is exceeding Rs.500 crore, you would be ineligible for assistance under ECLGS, if you are falling within the purview of ECLGS 2.0/2.0(Extension).

The cap of total loan outstanding of Rs.500 crore from all lending institutions has been removed in respect of sectors falling under ECLGS 3.0/3.0 (Extension). Accordingly, if you belong to any one of the sectors specified under ECLGS 3.0/3.0 (Extension) and meet the other eligibility criteria of the scheme, you shall be eligible for assistance based on your outstanding as on February 29, 2020 or March 31, 2021 or January 31, 2022, whichever is highest, subject to cap specified.

As regards checking of outstanding on the Bureau wherein ECB details may not get captured, please appreciate that this has been continued from the time of launch of the scheme when the total outstanding loans as on February 29, 2020 was restricted upto Rs.50 crore. The same is, however, still needed for a second check pertaining to loans other than ECBs and non-fund based facility.

Under ECLGS 2.0/2.0(Extension), individuals are not eligible.

Under ECLGS 3.0/3.0(Extension), proprietorship concerns and such of the individuals who have taken loan against property for their own business which falls within one of the specified sectors under ECLGS 3.0 (i.e. Hospitality and related sectors/Civil Aviation) would be eligible, provided all other conditions are met.

142.Whether GECL loans provided under ECLGS are eligible for resolution framework without downgrade as per RBI guidelines of May 05, 2021 (as amended vide RBI Circular dated June 04, 2021)?

Yes, they are eligible, provided the borrower is eligible under extant RBI guidelines and under ECLGS guidelines. The MLI should ensure to comply with the guidelines stipulated therein to be eligible for claims, if any, and seek rescheduling of principal instalments. That is, total tenor of these loans can be enhanced from the present 4 years to 5 years with only interest payment upto 2 years and principal repayment in 36 monthly instalments thereafter. However, lenders should ensure comprehensive re-assessment of all facilities of the borrower with a view to enable implementation of viable resolution plan.

143. I have availed assistance under ECLGS 1.0 and am eligible for resolution framework as per RBI guidelines of May 05, 2021 (as amended vide RBI Circular dated June 04, 2021). Am I eligible for any additional assistance under ECLGS ?

You shall be eligible for additional support under ECLGS 1.0(Extension) only if your total fund based facility as on February 29, 2020 or March 31, 2021 (net of ECLGS availed, if any) was upto Rs.50 crore, subject to meeting the other conditions of the scheme.

145. I have availed assistance under ECLGS 1.0 & 3.0 and am eligible for resolution framework as per RBI guidelines of May 05, 2021 (as amended vide RBI Circular dated June 04, 2021). Am I eligible for additional assistance under ECLGS?

Eligibility under ECLGS 3.0 (Extension) may be examined as per guidelines to see if additional assistance is eligible.

146. I have availed assistance under ECLGS 1.0 and am eligible for resolution framework as also assistance under ECLGS 3.0. Am I eligible for all the three benefits viz. restructuring, additional assistance under ECLGS 3.0 and additional assistance of upto 10% available to restructured accounts?

You may avail of the resolution framework as per RBI's guidelines of May 05, 2021 (as amended vide RBI Circular dated June 04, 2021) as per the need. Further, you would be eligible for additional assistance of upto 10% available to accounts covered under the RBI's resolution framework or additional assistance under ECLGS 3.0/3.0 (Extension), but not both.

147. My account was restructured as per earlier RBI guidelines, but I have not yet availed assistance under ECLGS. Upto how much additional assistance am I eligible under ECLGS?

You may avail of assistance upto 30% of outstanding as on February 29, 2020 or March 31, 2021 (whichever is higher) under ECLGS 1.0/1.0(Extension)/2.0/2.0(Extension) and upto 50% of outstanding under ECLGS 3.0/3.0(Extension) within the cap specified, depending upon the sector to which you belong and subject to you meeting the other eligibility criteria specified under ECLGS.

152. I am an eligible borrower having availed assistance under ECLGS 1.0 or 2.0. Can I avail assistance under ECLGS 4.0 also?

Yes. The facility being provided under ECLGS 4.0 should be treated separately. Such of the borrowers

who have availed assistance under ECLGS 1.0 or 2.0 and meet the eligibility criteria of ECLGS 4.0 are eligible for assistance under it also. Separate loan account is to be maintained for ECLGS 4.0.

153.I am a Government Hospital / Government Medical College. Am I eligible for assistance under ECLGS 4.0 ?

Yes, you are eligible provided you are enjoying credit facility with some lending institution, have days past due upto 90 days and meet the other terms of ECLGS. 157.It is observed that additional time has been allowed on the tenor of loans under ECLGS 1.0, but the same has not been provided under ECLGS 2.0 or 3.0. What is the reason?

RBI guidelines of May 05, 2021 (as amended vide RBI Circular dated June 04, 2021) permitted rescheduling of principal repayments of accounts, without asset downgrade, only where the total outstanding (fund based and non-fund based) is upto Rs.50 crore as on March 31, 2021. Only these loans forming part of ECLGS 1.0 and complying with the terms of ECLGS & RBI resolution framework have been permitted for rescheduling of instalments by giving additional time. ECLGS 2.0 pertains to

borrowers with fund based loans outstanding above Rs.50 crore and hence these loans would be ineligible for reschedulement under RBI guidelines. ECLGS 3.0 was launched on March 31, 2021 and any sanctions/disbursements under it have been done on or after April 01, 2021 - hence these are also ineligible for reschedulement as per RBI guidelines of May 05, 2021.

158.I am an eligible MLI having a borrower who is eligible for coverage under the resolution plan. The said borrower has some outstanding with another MLI also. No, you shall be able to extend additional assistance only upto 10% of the fund based outstanding that the borrower had with you as on February 29, 2020, other terms and conditions remaining the same. You will not be able to lend on behalf of the other MLI, whether or not the other MLI restructures its part of the loan to the borrower.

159.I am an eligible borrower having availed assistance under ECLGS. I am availing the benefit under RBI resolution Framework and would like to take the additional assistance upto 10% allowed under ECLGS. Please advise the tenor and moratorium that shall be provided on this additional loan.

No, as regards with ECB and for borrowers falling within the scope of ECLGS 1.0/1.0(Extension)/2.0/2.0(Extension)/3.0/3.0 (Extension), other than the Civil aviation sector. For borrowers in the Civil Aviation sector, non-fund based facility with a lender would make it eligible for assistance under ECLGS 3.0 (Extension).

161.We, an eligible MLI, had extended additional assistance to eligible borrowers under ECLGS. Some of these borrowers have turned NPA. FAQ No. 83 provides that legal action shall be considered as initiated upon filing of application in Lok Adalator after admission of application under NCLT or commencement of arbitration proceedings as may be decided by NCGTC from time to time. Please advise how to file claims for small accounts where accounts are settled by way of arbitration proceedings also.

Arbitration proceedings are not considered as legal action for recovery of dues.

However, a carve out has been provided for low value loans of upto Rs.10 lakh. For such loans i.e. of ECLGS accounts where the total loan outstanding of a borrower as on 29.02.2020 (as per Bureau outstanding) does not exceed Rs.10 lakh, the filing and payment of interim claim shall be permissible without insistence on initiation of legal proceedings. Subsequent to filing of an eligible claim, 75% of amount in default pertaining to loan under ECLGS shall be settled for payment by NCGTC. However, the balance amount (25% of amount in default pertaining to loan under ECLGS) shall be paid only after conclusion of recovery proceedings or till decree gets time barred, whichever is earlier. The Bank should, therefore, initiate appropriate legal action for recovery of dues to claim the balance 25% of amount in default.

161(A) Are award cases under arbitration proceedings eligible for claim settlement process under ECLGS?

The sentence in FAQ No. 161 viz. “Arbitration proceedings are not considered as legal action for recovery of dues” stands modified with the following clarification given in 2 sub-heads which may be seen and complied with while applying for claim settlement under arbitration proceedings:

(i) Where the recovery mechanism for a debt due attracts the provisions of DRT Act.

Where MLIs have an arbitration clause in their lending agreements and the total debt due attracts the jurisdiction and provisions of the DRT Act, any action initiated upon commencement of arbitration proceedings under this category shall not be considered as recovery proceedings as any recovery action which is within the purview of the DRT Act is non-arbitrable and hence claims filed for such action shall not be honoured.

(ii) Where the recovery mechanism for a debt due does not attract DRT Act.

Where MLIs have an arbitration clause in their lending agreements and do not attract the provisions of the DRT Act in any manner, any action initiated upon commencement of arbitration proceedings shall be considered as recovery proceedings.

It is further clarified that in all arbitration cases under (ii) above, the final claim filed by MLIs will be honoured only subject to the passing of an Award by the Hon'ble Tribunal when the Award passed on merits (excluding settlements, which are not permitted under the Scheme) is duly executed and recovery of money has been made by the MLIs to the satisfaction of NCGTC under the Scheme.

162.I am an eligible MLI having extended ECLGS facility to an eligible borrower. The said borrower had fund based outstanding upto Rs.50 crore and was extended assistance under ECLGS 1.0 accordingly. The borrower was provided additional credit facility subsequently and its outstanding credit (excluding credit extended under ECLGS 1.0) as on 31.03.2021 has gone beyond Rs.50 crore but is less than Rs.500 crore. The borrower belongs to the Healthcare sector or one of the 26 sectors identified by the Kamath Committee. Whether the borrower is eligible for

additional assistance under ECLGS as per the reference date of 31.03.2021?

Yes, the borrower is eligible for additional assistance under ECLGS 2.0 extension.

163. An eligible borrower was extended credit facility under ECLGS 1.0 by an eligible MLI (MLI 1) based on fund based outstanding with it as on 29.02.2020. The borrower has now approached us, another eligible MLI (MLI 2), for assistance under ECLGS based on their outstanding loans with us. On scrutiny, we observe that the Bureau outstanding was more than Rs.50 crore and upto Rs.500 crore as on 29.02.2020 (Bureau outstanding was incorrectly fed by MLI 1) and that the borrower belongs to the Healthcare sector or to the 26 sectors identified by the Kamath Committee. Please advise how to extend assistance to the borrower as per its credit outstanding with us as on 29.02.2020.

We have made provision for change of Bureau outstanding as well as category (ECLGS 1.0 or 2.0 as the case may be) based on validations. You may advise the borrower to approach MLI 1 for changing the category of ECLGS (from ECLGS 1.0 to ECLGS 2.0), modifying the Bureau outstanding and specifying the sector (dropdown available) on NCGTC's portal. Thereafter, MLI 2 can avail guarantee on ECLGS 2.0 as per the eligibility.

Same shall be the procedure if such discrepancy is observed with regard to guarantees issued based on reference date of 31.03.2021 (Change from ECLGS 1.0 extension to ECLGS 2.0 extension).

164. I am an eligible MLI having extended ECLGS facility to an eligible borrower based on its fund based outstanding as on 29.02.2020/31.03.2021/31.01.2022, which it has since paid back. Can the borrower now again avail full 30%/50% outstanding as on 29.02.2020 or 31.03.2021 or 31.01.2022, whichever is highest?

Any single borrower is eligible for total support under ECLGS upto 30%/50% of their outstanding credit facility (subject to cap specified) as on 29.02.2020/31.03.2021/31.01.2022, depending upon the sector to which it belongs. Hence, the borrower shall now be eligible for only the balance, if any, out of the total eligible facility, depending upon its eligibility and meeting the terms of the scheme.

165. A borrower banking with a lender was SMA 0 or SMA 1 as on 29.02.2020 (initial reference date) and SMA2 or NPA as on 31.03.2021/31.01.2022 (alternate reference dates) or vice versa. The borrower is Standard as on date and is meeting the other eligibility parameters of the scheme. Whether the borrower is eligible for assistance under ECLGS and, if so, what would be the maximum eligible amount ?

Yes, the borrower is eligible for total assistance of upto 30% of its fund based outstanding as on the eligible reference date (reference date on which it meets the eligibility parameters of the scheme) under ECLGS 1.0/1.0 (Extension) or ECLGS 2.0/2.0 (Extension) and upto 50% of its outstanding (subject to

cap specified) as on the eligible reference date under ECLGS 3.0/3.0(Extension), provided it meets the other eligibility parameters prescribed under the scheme.

166.I am an eligible MLI having extended non-fund based facility under ECLGS to an eligible borrower. How would the guarantee coverage on the said facility be reckoned?

The guarantee on non-fund based facility shall commence from the date of first disbursement of fund based facility or first date of utilization of non-fund based facility or last date of disbursement under the scheme, whichever is earlier and shall end on the expiry of 5 (ECLGS 2.0)/6 year (ECLGS 2.0 Extension) period from the said date.

As mentioned under para 10(1) of the Operational Guidelines, the MLIs should progressively reduce their liability under the non-fund based facility. Guarantee cover on non-fund based facility shall reduce proportionately each year (without any moratorium) and hence the MLI should apply the risk weight on the outstanding facility accordingly.

The MLI should, accordingly, assign the risk weight on the non-fund based facility, in a progressive manner.

167.I am an eligible MLI having extended ECLGS facility to an eligible borrower. The borrower account had subsequently turned NPA, due to which claim was filed with NCGTC and interim claim amount has since been received. The account has now turned back Standard. Whether guarantee under ECLGS would continue to be available on the said account ?

In terms of para 16 of the Operational Guidelines of ECLGS, the MLI should refund the claim amount/recoveries immediately. Delay in refund of the amount may result in such other action as deemed fit by NCGTC.

As the claim (whether interim or final) has already been made, account gets closed in the system of live guarantees and, therefore, continuation of the guarantee on the said account is not possible. If, however, the claim has not been made and the account turns Standard, provision for continuation of the guarantee and reversal of NPA status has been made in the system.

168.I am an eligible MLI having extended credit facility under ECLGS to an eligible borrower. The borrower has changed its constitution due to which PAN number has undergone a change. The borrower has now approached for availing additional facility under ECLGS(Extension), which we are agreeable to offer. As per the NCGTC's portal, guarantee on any extension facility to an existing borrower should be obtained against the same identification number (CGPAN). However, it is creating difficulty in cases where constitution of borrower has changed as the PAN number has undergone a change and continuation with the earlier PAN number may not be proper while obtaining guarantee for the extension facility. What would be the proper procedure

to avail guarantee against additional facility extended to such borrowers?

Whenever an MLI obtains guarantee under ECLGS against the first eligible loan extended to an eligible borrower, a unique identification number (CGPAN Number) is generated which immediately gets forwarded to the MLI. As and when additional facility is extended to the same borrower (even if its name or constitution and hence PAN number is changed), the same identification CGPAN number should be used for obtaining guarantee as validations have been put on the CGPAN numbers. Thus, the MLI can provide additional facility to the borrower against the earlier details viz. name, constitution PAN number etc., even though the name/constitution of the borrower and consequently its PAN number has changed. Updation of the name, constitution and/or PAN number can be avoided at this stage. The same may be followed till lodgment of claim or closure of account.

If and when a claim is lodged, the MLI should furnish details of change in name or constitution and PAN number etc., along with relevant documents, for which provision has been made in the system. After due verification, the eligible claim shall be paid to the MLI.

For example, if a borrower AB (a partnership firm) having availed support under ECLGS 1.0 against which CGPAN No. 1 has been issued, changes its constitution to a Pvt. Ltd. company and its name becomes AB Pvt. Ltd., the MLI should consider additional support under ECLGS 1.0 (Extension) to this borrower under CGPAN No. 1 only and not generate fresh CGPAN. Because, if it issues fresh CGPAN, the same borrower will again become eligible for support upto 30% of outstanding which would not be as per the guidelines. Same procedure to be followed for other components of ECLGS.

169.I am an eligible MLI having extended credit facility under ECLGS to an eligible borrower. The borrower has since been classified as NPA. We propose to initiate legal action as permissible under ECLGS guidelines for the loan availed under ECLGS, but propose to settle the parent loan by way of some other legal means as we may find suitable. Please advise if this is permissible.

As per the guidelines, lenders need to protect the interest of NCGTC and hence legal action as permitted under the ECLGS guidelines (read along with the FAQs at 83 & 161) should be proceeded with for the entire defaulted amount (ECLGS and parent loan for consistency in approach) to be eligible for settlement of claims.
